SECTION IV - CONTROLS

The Central Intelligence Agency performs its ELINT mission in response to operational and technical control exercised in this field by the Director, NSA, as agreed to and within the resources authorized by the DCI. Control instructions will be based upon standard procedures and doctrine promulgated by the Director, NSA.

SECTION V - COMMUNICATIONS

1. For the purpose of mutual technical support, a continuing and direct exchange of required technical information within the National SIGINT Effort will be effected through channels approved by CIA and NSA, subject to such restrictions as may be stipulated.

2. Direct communications between CIA ELINT activities and other elements of the National SIGINT Effort will be effected through communications channels approved by NSA and CIA.

3. By agreement between the DCI and the Director, NSA, communications may be directly addressed by NSA to CIA ELINT activities under the following circumstances:

a. When the time factor precludes the use of the normal control channels.

b. When the contact pertains solely to non-directive technical matters.

Such communications will always be transmitted via CIA Headquarters.

SECTION VI - ELINT RESPONSIBILITIES OF THE CENTRAL INTELLIGENCE AGENCY

The ELINT responsibilities of the Central Intelligence Agency will include, among others, the following:
